6 project in operation, and the condemnation of property necessary for such construction  
7 and operation. Any obligation or expense incurred for any of the foregoing purposes  
8 shall be regarded as a part of the cost of the project and may be paid or reimbursed as  
9 such out of the proceeds of revenue bonds issued under the provisions of this Act for such  
10 project.

2 principal and the interest on the revenue bonds which may be issued to finance, in whole or  
3 in part, the cost of such project or projects.

(11) To do all things necessary or convenient to carry out the powers expressly given in this Act.

The authority shall not exercise the power of condemnation outside the boundaries of Fulton County.

## **SECTION 5.**

### **Revenue bonds.**

The authority, or any authority or body which has or which may in the future succeed to the powers, duties, and liabilities vested in the authority created by this Act, shall have power and is authorized to provide by resolution for the issuance of negotiable revenue bonds of the authority for the purpose of paying all or any part of the cost, as defined in this Act, of any one or more projects. The principal of and interest on such revenue bonds shall be payable solely from the special fund provided for such payment. The bonds of each issue shall be dated, shall bear interest at such rate or rates per annum payable at such time or times, shall mature at such time or times not exceeding 40 years from their date or dates, shall be payable in such medium of payment as to both principal and interest as may be determined by the authority, and may be redeemable before maturity, at the option of the authority, at such price or prices and under such terms and conditions as may be fixed by the authority in the resolution for the issuance of bonds.

## **SECTION 6.**

### **Same; form; denomination; registration; place of payment.**

The authority shall determine the form of the bonds, including any interest coupons to be attached thereto, and shall fix the denomination or denominations of the bonds and the place or places of payment of principal and interest thereon, which may be at any bank or trust company inside or outside this state. The bonds may be issued in coupon or registered form, or both, as the authority may determine, and provision may be made for the registration of any coupon bond as to principal alone and also as to both principal and interest.

**SECTION 7.**

Same; signatures; seal.

In case any officer whose signature shall appear on any bonds or whose facsimile signature shall appear on any coupon shall cease to be such officer before the delivery of such bonds, such signature shall nevertheless be valid and sufficient for all purposes the same as if such officer had remained in office until such delivery. All such bonds shall be signed by the chairperson of the authority and the official seal of the authority shall be affixed thereto and attested to by the secretary of the authority, and any coupons attached thereto shall bear the facsimile signatures of such persons, and any bond may be signed, sealed, and attested to on behalf of the authority by such persons as at the actual time of the execution of such bonds shall be duly authorized or hold the proper office, although at the date of such bonds such person may not have been so authorized or shall not have held such office.

**SECTION 8.**

Same; negotiability; exemption from taxation.

All revenue bonds issued under the provisions of this Act shall be declared to have all the qualities and incidents of negotiable instruments under the laws of this state. Such bonds, their transfer, and the income therefrom shall be exempt from all taxation within the state.

**SECTION 9.**

Same; sale; price; proceeds.

The authority may sell such bonds in such manner and for such price as it may determine to be for the best interest of the authority. The proceeds derived from the sale of such bonds shall be used solely for the purpose or purposes provided in the resolutions and proceedings authorizing the issuance of such bonds.

**SECTION 10.**

Same; interim receipts and certificates or temporary bonds.

The authority may, under like restrictions, issue interim receipts, interim certificates, or temporary bonds, with or without coupons, exchangeable for definitive bonds upon the issuance of the latter.

**SECTION 11.**

Same; replacement of lost or mutilated bonds.

The authority may provide for the replacement of any bonds or coupons which shall become mutilated or be destroyed or lost.

**SECTION 12.**

Same; conditions precedent to issuance.

Revenue bonds may be issued without any other proceedings or the happening of any other conditions or things other than those proceedings, conditions, and things which are specified or required by this Act. In the discretion of the authority, revenue bonds of a single issue may be issued for the purpose of any particular project. Any resolution providing for the issuance of revenue bonds under the provisions of this Act shall become effective immediately upon its passage and need not be published or posted, and any such resolution may be passed at any regular or special or adjourned meeting of the authority by a majority of its members.

**SECTION 13.**

Credit not pledged.

Revenue bonds issued under the provisions of this Act shall not be deemed to constitute a debt of Fulton County nor a pledge of faith and credit of said county, but such bonds shall be payable solely from the funds provided for by this Act and the issuance of such revenue bonds shall not directly, indirectly, or contingently obligate said county to levy or pledge any form of taxation whatever therefor or to make any appropriation for their payment, and all such bonds shall contain recitals on their face covering substantially the foregoing provisions of this section.

**SECTION 14.**

Trust indenture as security.

In the discretion of the authority, any issuance of such revenue bonds may be secured by a trust indenture by and between the authority and a corporate trustee, which may be any trust company or bank having the powers of a trust company inside or outside the state. Such trust indenture may pledge or assign fees, tolls, revenues, and earnings to be received by the authority. Either the resolution providing for the issuance of revenue bonds or such trust

indenture may contain such provisions for protecting and enforcing the rights and remedies of the bondholders as may be reasonable and proper and not in violation of law, including covenants setting forth the duties of the authority in relation to the acquisition of property, the construction of the project, the maintenance, operation, repair, and insuring of the project, and the custody, safeguarding, and application of all moneys, and may also provide that any project shall be constructed and paid for under the supervision and approval of consulting engineers or architects employed or designated by the authority and satisfactory to the original purchasers of the bonds issued therefor, and may also require that the security given by contractors and by any depository of the proceeds of the bonds or revenues or other moneys be satisfactory to such purchasers, and may also contain provisions concerning the conditions, if any, upon which additional revenue bonds may be issued. It shall be lawful for any bank or trust company incorporated under the laws of this state to act as such depository and to furnish such indemnifying bonds or pledge such securities as may be required by the authority. Such indenture may set forth the rights and remedies of the bondholders and of the trustee, and may restrict the individual right of action of bondholders as is customary in trust indentures securing bonds and debentures of corporations. In addition to the foregoing, such trust indenture may contain such other provisions as the authority may deem reasonable and proper for the security of the bondholders. All expenses incurred in carrying out such trust indenture may be treated as part of the cost, maintenance, operation, and repair of the project affected by such indenture.

## **SECTION 15.**

To whom proceeds of bonds shall be paid.

In the resolution providing for the issuance of revenue bonds or in the trust indenture, the authority shall provide for the payment of the proceeds of the sale of the bonds to any officer or person who, or any agency, bank, or trust company which, shall act as trustee of such funds and shall hold and apply the same to the purposes hereof, subject to such regulations this Act and such resolution or trust indenture may provide.

## **SECTION 16.**

Sinking fund.

The revenues, fees, tolls, and earnings derived from any particular project or projects, regardless of whether or not such fees, earnings, and revenues were produced by a particular project for which bonds have been issued unless otherwise pledged and allocated, may be pledged and allocated by the authority to the payment of the principal and interest on revenue

bonds of the authority as the resolution authorizing the issuance of the bonds or in the trust instrument may provide, and such funds so pledged from whatever source received, which said pledge may include funds received from one or more or all sources, shall be set aside at regular intervals, as may be provided in the resolution or trust indenture, into a sinking fund, which sinking fund shall be pledged to and charged with the payment of:

- (1) The interest upon such revenue bonds as such interest shall fall due;
- (2) The principal of the bonds as the same shall fall due;
- (3) The necessary charges of paying agent for paying principal and interest and other investment charges; and
- (4) Any premium upon bonds retired by call or purchase as provided in this Act.

The use and disposition of such sinking fund shall be subject to such regulations as may be provided in the resolution authorizing the issuance of the revenue bonds or in the trust indenture, but, except as may otherwise be provided in such resolution or trust indenture, such sinking fund shall be maintained as a trust account for the benefit of all revenue bonds without distinction or priority of one over another. Subject to the provisions of the resolution authorizing the issuance of the bonds or the trust indenture, any surplus moneys in the sinking fund may be applied to the purchase or redemption of bonds, and any such bonds so purchased or redeemed shall forthwith be cancelled and shall not again be issued.

#### **SECTION 17.**

##### **Remedies of bondholders.**

Any holder of revenue bonds issued under the provisions of this Act or any of the coupons appertaining thereto and the trustee under the trust indenture, if any, except to the extent the rights given in this Act may be restricted by the resolution passed before the issuance of the bonds or by the trust indenture, may, either at law or in equity, by suit, action, mandamus, or other proceedings, protect and enforce any and all rights under the laws of the State of Georgia or granted under this Act or under such resolution or trust indenture, and may enforce and compel performance of all duties required by this Act or by such resolution or trust indenture to be performed by the authority or any officer thereof, including the fixing, charging, and collecting of revenues, fees, tolls, and other charges for the use of the facilities and services furnished.

**SECTION 18.**

## Refunding bonds.

The authority is authorized to provide by resolution for the issuance of bonds of the authority for the purpose of funding or refunding any revenue bonds issued under the provisions of this Act and then outstanding, together with accrued interest on the premium, if any. The issuance of such funding or refunding bonds, the maturities and all other details thereof, the rights of the holders thereof, and the duties of the authority in respect to the same shall be governed by the other provisions of this Act insofar as the same may be applicable.

**SECTION 19.**

## Validation.

Bonds of the authority shall be confirmed and validated in accordance with the procedure of Article 3 of Chapter 82 of Title 36 of the O.C.G.A., the "Revenue Bond Law," as amended. The petition for validation shall also make party defendant to such action the State of Georgia or any municipality, county, authority, political subdivision, or instrumentality of the State of Georgia which has contracted with the authority for the services and facilities of the project for which bonds are to be issued and sought to be validated and the state or such municipality, county, authority, political subdivision, or instrumentality shall be required to show cause, if any exists, why such contract or contracts and the terms and conditions thereof should not be inquired into by the court and the contract or contracts adjudicated as a part of the basis for the security for the payment of any such bonds of the authority. The bonds, when validated, and the judgment of validation shall be final and conclusive with respect to such bonds and the security for the payment thereof and interest thereon and against the authority issuing the same, and the state and any municipality, county, authority, political subdivision, or instrumentality, if a party to the validation proceedings, contracting with the authority.

**SECTION 20.**

## Venue and jurisdiction.

Any action to protect or enforce any rights under the provisions of this Act or any suit or action against such authority shall be brought in the Superior Court of Fulton County, Georgia, and any action pertaining to validation of any bonds issued under the provisions of this Act shall likewise be brought in said court which shall have exclusive, original jurisdiction of such actions.

**SECTION 21.**

Interest of bondholders protected.

While any of the bonds issued by the authority remain outstanding, the powers, duties, or existence of said authority or its officers, employees, or agents shall not be diminished or impaired in any manner that will affect adversely the interest and rights of the holders of such bonds, and no other entity, department, agency, or authority will be created which will compete with the authority to such an extent as to affect adversely the interest and the rights of the holders of such bonds, nor will the state so itself compete with the authority. The provisions of this Act shall be for the benefit of the authority and the holders of any such bonds and, upon the issuance of bonds under the provisions of this Act, shall constitute a contract with the holders of such bonds.

**SECTION 22.**

Moneys received considered trust funds.

All moneys received pursuant to the provisions of this Act, whether as proceeds from the sale of revenue bonds, as grants or other contributions, or as revenue, income, fees, and earnings, shall be deemed to be trust funds to be held and applied solely as provided in this Act.

**SECTION 23.**

Purpose of the authority.

(a) Without limiting the generality of any provision of this Act, the general purpose of the authority is declared to be that of acquiring an adequate source of water supply, treatment of such water, and thereafter the distribution of the same to the various unincorporated areas, municipalities, and citizens in Fulton County and its environs, including adjoining counties and municipalities located therein, and further for the general purpose of collecting of waste water, both individual and industrial; but such general purpose shall not restrict the authority from selling and delivering water directly to customers in those areas where water distribution systems do not now exist or furnishing sewer collection facilities to such customers, and to areas where no county, municipality, or public authority deems it desirable or feasible to furnish water or sewerage services in such locality.

(b) The authority shall not have the authority to construct water lines for the distribution of water directly to customers within any municipality without first obtaining the express written consent of the appropriate governing body of said municipality. Likewise, the authority shall not have the authority to construct sewer lines for the collection of waste and

sewage directly from customers within any municipality without first obtaining the express written consent of the appropriate governing body of said municipality.

#### **SECTION 24.**

Rates, charges, and revenues; use.

The authority is authorized to prescribe and fix rates and to revise same from time to time and to collect fees, tolls, and charges for the services, facilities, and commodities furnished and, in anticipation of the collection of the revenues of such undertaking or project, to issue revenue bonds as provided by this Act to finance, in whole or in part, the cost of the acquisition, construction, reconstruction, improvement, betterment, or extension of a water system, a sewerage system, or a combined water and sewerage system, and to pledge to the punctual payment of said bonds and interest thereon, all or any part of the revenues of improvements, betterments, or extensions thereto thereafter made. Before increasing water or sewer rates, the authority shall hold two public hearings with dates, times, and locations advertised once in the legal organ of the county at least seven days before each public hearing. The authority shall notify the customers of the authority of the proposed increase in rates and the public hearing dates, times, and locations on the preceding month's water or sewer bill before the date of the public hearings.

#### **SECTION 25.**

Rules and regulations for operation of projects.

It shall be the duty of the authority to prescribe rules and regulations for the operation of the project or projects constructed or acquired, or both, under the provisions of this Act, including the basis upon which water service and facilities or sewerage service and facilities, or both, shall be furnished.

#### **SECTION 26.**

Tort immunity.

The authority shall have the same immunity and exemption from liability for torts and negligence as Fulton County; and the officers, agents, and employees of the authority when in the performance of the work of the authority shall have the same immunity and exemption from liability for torts and negligence as the officers, agents, and employees of Fulton County when in the performance of their public duties or work of the county.

**SECTION 27.**

Powers declared supplemental and additional.

The foregoing sections of this Act shall be deemed to provide an additional and alternative method for the doing of the things authorized, shall be regarded as supplemental and additional to powers conferred by other laws, and shall not be regarded as in derogation of any powers now existing.

**SECTION 28.**

Effect on other governments.

This Act shall not and does not in any way take from any municipality located in Fulton County or any adjoining county the authority to own, operate, and maintain a water system, a sewerage system, or a combined water and sewerage system or to issue revenue bonds.

**SECTION 29.**

Liberal construction of the Act.

This Act, being for the welfare of various political subdivisions of the state and its inhabitants, shall be liberally construed to effect the purposes hereof.

**SECTION 30.**

Severability; effect of partial invalidity of Act.

In the event any section, subsection, sentence, clause, or phrase of this Act shall be declared or adjudged invalid or unconstitutional, such adjudication shall in no manner affect the other sections, subsections, sentences, clauses, or phrases of this Act, which shall remain of full force and effect as if the section, subsection, sentence, clause, or phrase so declared or adjudged invalid or unconstitutional were not originally a part hereof. The General Assembly declares that it would have passed the remaining parts of this Act if it had known that such part or parts hereof would be declared or adjudged invalid or unconstitutional.

**SECTION 31.**

Repeal.

All laws and parts of laws in conflict with this Act are repealed.
